

Washington Worked All Counties Award (WA-WAC)

The Amateurs of Washington's first County, Clark, are offering the "WA-WAC Award"

Clark County was the first county of Washington, named after William Clark, of the Lewis & Clark Expedition. It was created by the provisional government of Oregon Territory on August 20, 1845, and at that time covered the entire present-day state of 39 Counties.

Purpose: To acknowledge and recognize the achievement of contacting radio operators in each of Washington's 39 counties.

Rules: Any Amateur who confirms two-way QSO's via CW, SSB, FM, RTTY or Satellite with stations in each of the 39 Counties in Washington may apply for this award. There are no endorsements for single band, single mode, or multiple distinct contacts at this time. Cross Mode, Cross Band (except Satellite QSO's) Repeaters, Echo Link, CQ100 and IRLP contacts do not count.

Valid contact and Exchange: Any completed contacts meeting other award criteria may be submitted. Mobile operators who change counties are considered valid contacts in each county you work them.

Applications: Applications for the Washington Worked all Counties Award must be submitted on the WA-WAC application form showing Call Sign of station worked, Date, Band, Mode and County.

Submission of QSL cards is not required. Any two (2) non-family Amateur Licensees, General class or higher, can verify your QSL cards or log entries. The honor system will govern.

Send completed application and county record sheet to:

CLARK COUNTY AMATEUR RADIO CLUB

Attn: WA-WAC

P.O. Box 1424
