

2026 HAM Technician license Open Class Schedule

Technician Class Schedule (2026 class year):

	March:	May:	October
Friday	13th	8th	9th
Saturday	14th	9th	10th
Friday,	20th	15th	16th
Saturday	21st	16th	17th

The Friday classes and the first Saturday class will be at:
The Church of Jesus Christ of Latter-Day Saints (LDS Church)
14400 NW 26th Avenue (corner of Bliss Rd. and NW 26th Ave)
Vancouver, WA 98685

The second Saturday class will be at the testing location at the:
49th Street LDS Chapel
14219 NE 49th Street Vancouver, WA 98682

Class sessions listed (unless noted otherwise) will be conducted
Fridays from 6:30 p.m. - 9:00 p.m. and
Saturdays from 9:00 a.m. - 1:30 p.m.

License Testing starts at 10:30 on the second Saturday

There will be a review at the test location prior to taking the test.

You must have a valid FCC web account and FRN number to take the test and there is a \$15.00 fee for the test. You must preregister at license-testing@w7aia.org

Ham Radio Technician Manuals are available online from ARRL and Amazon, and you will need them for this class
